

NURIOOTPA HOCKEY CLUB – TEAM SELECTION POLICY

Seniors

A-Grade coaches will have first choice of any club registered players, senior or junior, dependent on training attendance, skill, ability, communication, attitude, and commitment. Any junior player who is selected in the A-grade team, the coach must receive verbal permission from the child's parent/guardians prior to them taking the pitch.

B-Grade/C-Grade coaches will communicate with the A-Grade coaches re selection. Senior players have priority for team selection, dependent on training attendance, communication, attitude and commitment.

If junior players are required, it will be on an age based criteria with the oldest children getting asked first before working down the list. Junior players names and ages will be available upon request from the clubs Junior Coordinator.
